

NEIGHBOURHOOD MEETING COMMENT SHEET

Subject: Official Plan Amendment and Rezoning Application to construct 23 residential townhomes and a semi-detached dwelling unit.

Address: 607 Dynes Road

File: 505-04/16 and 520-10/16

Please Indicate Below Any Comments or Special Concerns You May Have About This Project

I do not agree with this proposal or the rezoning, because it will completely destroy a beautiful neighbourhood.

At the recent meeting a show of hands was asked for approval. NO ONE raised their hands.

Don't you think that as elected servants, it's about time you listened to the "people"?
