Active Aging Plan

The Active Aging Plan Vision

Burlington is a caring and age-friendly city where citizens enjoy healthy, active lives and feel safe, connected and valued as they reach their full potential

A community
that cares

Where
people feel
connected

Where
environments
are enabling

Where
opportunity
exists

Citizens feel a sense of belonging
throughout life's course

Active
Aging Plan

The Plan Asks us to Consider a Paradigm Shift

Active Aging Plan

Where walking is barrier reduced

Where small accommodations make a big difference

Where affordable & reliable transportation options are available

And active transportation is age-friendly

Where mentoring is ageless

Where stereotypes are shattered

Where caring for family members looks like this

...And This

Planning for a vibrant future

(Increases 2006-2026)

Active Aging Plan

Age friendly practices create
communities of opportunity.
Desired places to work, play and live

Active
Aging Plan

Families stay where
young people succeed and older persons can age well

How do we grow boldly towards
an age-friendly Burlington?

Active
Aging Plan

Imagine a city where...

close, careful consideration is given to all ages,
to all abilities, to all cultures, to all people.

Thank you
