Planning and Building Rates and Fees, do not contain various by-laws that contain fee schedules. Some are guided to be increased each year by the Consumer Price Index (CPI). Upon passing of a by-law for Permit Fees and Business Licensing, fees are to be indexed to the CPI of Ontario as of December 31, and are to be adjusted annually on February 1, effective February 1, 2011, subject too public consultation and holding of a public meeting (Permit Fees only). Flat fee rates shall be rounded to the nearest dollar amount (increments of half dollars shall be rounded up). All other fees shall be rounded to the nearest cent. The increase In CPI index is not know at this time, therefore is not included in the Rates and Fees Schedule.
