**Subject:** Planning and Development Committee Meeting Agenda - item 5.1

Good morning Jo-Anne,

It was brought to my attention last night at 10pm that the city will be meeting regarding the proposed zoning by-law amendment for 2076 and 2086 Meadowbrook Rd (PB-31-18) at the P&D Meeting scheduled for this evening. I wanted to delegate on Agenda item 5.1 to correct an inaccuracy on the Information report provided by the city, but due to the extremely short notice, I am unable to attend the meeting.

Myself and 20 other residents were at the meeting voicing our concerns regarding the development. I also filled out a Neighbourhood Comment Sheet the night of the meeting, and that sheet is not on the information sheet. I am concerned that there are other sheets missing, and feel that the report is not an accurate representation of the community involvement. This item should not be on the agenda until a correct Information Report is completed. I'm asking that this matter is deferred to a later meeting to ensure that good faith is taken and a more accurate report is created.

Regards,  
Emily Jasiewicz
