To whom this may concern,

As a resident of Aldershot, I want to make it clear that I am in extreme support of Marianne Meed Wards proposed extension of the area affected by the Aldershot Mobility Hub boundaries. I support the proposed extension to protect the families who live in Clearview Avenue and Queen Mary. These families, old and young, have the right to stay in the home they chose to purchase and raise their family in. They have the right to live in this stable, friendly, lovely and caring community without being drastically impacted by this hub, through no fault of their own.

This extension should hardly impact the desired results of the mobility hub and allow families to continue to live in the community of their choice.

Thank you,

Aaron Boag
