Dear Jo-Anne Rudy:

As you can see by our address, we live on Ontario St. directly across from the vacant lot at the corner of Ontario and Brock St. We are on the 7th floor at the southend of the building so we look directly at the lot.

I feel the building is far to large for the size of the lot so that only one entrance/exit is shown in the plan. For safety reasons there should also be an entrance on Brock St. During accidents on the Skyway or the QE Ontatio is tied up right to Brant St. I wrote of other concers in my two letters to Lola Emberson back on September27, 2017. She very kindly sent me a letter thanking for my input (File:490- Brock Ave. & 1298 Ontario St)

Since we are in our '90"s we do not do computer (I never did) so I would greatly appreciate receiving by mail a copy of the Proposed Official Plan Amendment. Many thanks.

Sincerely          Dorothy McIlroy
