WE REPRESENT A NEW ERA

FIRE&FLOWER

Our beliefs define us

1. Inclusive spirit

We are at a time in Canadian history where the values of openness, transparency and inclusivity are inherent to the fabric of our nation. True to both the spirit of our organization and the sentiment of our people, our brand and retail concept aligns with a progressive, modern notion of freedom.

3. Shaping history

For us, there is nothing more exciting than being a part of history in the making. With the legalization of recreational cannabis, we are positioning ourselves on the right side of this important societal shift, providing honest education and consultation to move us all in a mindful, well-informed direction.

2. Shedding stigmas

Across the country, the social stigma surrounding cannabis is slowly lifting. Through our brand, retail, community and online marketing efforts, we are leading the conversation on cannabis, deconstructing outdated stereotypes, while opening the avenues of communication with Canadians.

Corporate social responsibility

Education-based retail

As responsible retailers and business owners, strong corporate citizenship is critical to our business model.

Our retail design will encourage open, welcoming spaces where our customers can seek out lifestyle and cannabis advice.

Special emphasis will be placed on private areas for one-on-one conversations with our highly trained Fire & Flower team members.

FIRE & FLOWER

Corporate social responsibility

Community partnerships

Consultation with cities and towns across the country has been vital to our brand and retail development.

When we enter a municipality, we set our own standard for separation distances that exceed most municipal requirements. We're implementing robust security protocol for our retail stores, bringing a sense of safety to the communities we work in.

These procedures will leverage the best in retail technology to ensure that the highest security standards are maintained.

Indigenous-guided business framework

The 2007 United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) and the Canadian Charter of Rights and Freedoms serve as guides for how we support our country's peoples and develop our business policies.

We bring together stewardship circles from Indigenous communities to shape forward-thinking, culturally appropriate social benefit initiatives that foster diversity and inclusion.

A game-changing industry

Fire & Flower is set to establish the most recognized and successful brand of independent retail stores across Canada.
