National Homes (Brant) Inc.  
City of Burlington Planning Application #s 505-03/17, 510-02/17, 520-10/17**

Please be advised that Halton Condominium Corporation No. 116 (Wellington Green) completed its consultation with National Homes (Brant) Inc. regarding the 2100 Brant Street project. National Homes has addressed to our satisfaction many issues that directly impact our property and residents: setback, roof slope and shadow, grading and drainage, trees, existing cedar hedge, fencing, lighting, building façade, and colours.

Wellington Green is in full support of National Homes (Brant) Inc.'s planning application and will not be opposing the application at the Local Planning Appeal Tribunal.

Regards,

Carole Booth, President  
Halton Condominium Corporation No. 116 (Wellington Green)
