Comments:	Can see from Lakeshore to Lorraine. Cars going over Traffic Calming on wrong side to avoid pedestrians. Cars nudging yellow flexible pole between traffic calming humps to avoid going over them. School bus parked on west side, pedestrians walking in middle of road to avoid. Lot of walkers turning onto Apple Valley Lane/Lorraine. Number of residents/walkers stopped by to express support of a sidewalk. Large # of dog-walkers in AM. More cyclists along road in PM. Lots of cyclists running the stop sign. Traffic calming requested between Spruce Ave and Lakeshore by 309 Strathcona Dr. Drivers avoid TC section and speed down south section.									
	* At 9:27, class of 6 adults and 29 kids walked down from New St and turned onto Lorraine to catwalk.									

## Pedestrian Sidewalk Study

Total	18	12	9	33	29	1	41	1	0	
Comments:	<p>AM: Cars dropping kids off @ catwalk/Near catwalk. Pedestrians counted if not immediately dropped off onto catwalk. Complaint about catwalk not plowed in winter time. Mixed groups of walkers and cyclists. Walkers counted. PM: People parking on road to go to school to pick up kids. Few near misses with pedestrians and cyclists with cars. Parking noted as a big issue by residents at pick-up/drop-off times. If a pedestrian shows up 2 times in a 15 min block was only counted once. Request from public to stop the parking in the catwalk area. Catwalk is not being maintained by RPF staff but by residents. Residents mowing the grass, collecting leaves, collecting garbage and clearing snow away. RPF to be informed.</p>
