Subject: Un-delegation of Site Plan 2254 Orchard Road

Colleagues:

The Planning Department is in receipt of a new site plan application for 2254 Orchard Road (file #535-002/19). The application contemplates the construction of a one-storey, 420 m² private secondary school building for the Halton Waldorf School, as well as associated parking facilities. The existing single-detached dwelling on the subject property would be demolished.

I committed to community members that I would un-delegate the Site Plan.

Accordingly, I ask for your support of the following staff direction the April 2nd Planning and Development Committee:

Undelegate the site plan approval process for the development application at 2254 Orchard Road from the Director of City Building to Council.

Thank you
Paul
