## Appendix B of PB-39-19

don't open really. Most of the pulley systems are broken in the windows. Do you need closer up Here are the images of the windows. They are quite damaged a lot of broken windows and they Hi Thomas, pics? Of what's broken? I will send the application and the best window estimate I got for repair in Wood and Fiberglass. I don't want to do the Vinyl windows as they will cheapen the look and
