**June 6, 2019**

PB-43-19, June 10, 2019 File#502-02-67

**Mayor and Members of City Council**

**Subject: City Parking review**

This memo is to advise City Council that the Integrated Transportation Advisory Committee (ITAC) has been involved in the City's Parking review PB-43-19 and we wish to advise that the Committee supports the staff Parking Review report as submitted.

ITAC is aware of the process involved in the parking review, the consultant's report and the separate staff report with recommendations currently being considered by City Council.

ITAC has reviewed the material and received a presentation from staff on the subject. Staff answered all the Committee's questions.

ITAC is aware that there are other/related parking matters under investigation and that additional parking reports will be considered by City Council in the future.

Sincerely;

(Original signed by)

Alan Kirkpatrick, Chair  
Integrated Transportation Advisory Committee
