Please do NOT entertain the idea of adding off leash areas to Lowville or Hidden Valley as they would ruin these parks!

Thanks for your comment. We're not looking at specifically where to build Leash-Free Areas right now; we're only looking at the criteria needed to build them. We'll keep your comment in mind when the time comes.

AI live in the Elizabeth Gardens area of Burlington..Fortunately I can drive to Oakville for the closest leash free area...but when I can't drive...there is nowhere nearby to let my dog run free nearby. Why not consider leash free areas in this quadrant. When considering what to do with a Robert Bateman School grounds, perhaps a section could be allocated to leash free for all the new residents expected with the two towers in Pineland. Also, with 7 towers expected on Lakeshore Plaza, perhaps the city could find space in the new waterfront park for some dogs to run free.

Hi London, we'll keep this in mind when the time comes to look for areas to build new leash-free areas. For now, we're only looking at the criteria needed to build them.
