What is a Framework?

This Framework highlights our **Vision, Values, Principles, and Goals** for the provision of Recreation in our community.

This framework forms a set of our collective **rules, ideas, and beliefs** to be used everyday.

From our Workshop with You...Some Highlights

- ✓ A direct connection back to Corporate Initiatives / Direction
- ✓ Ensure there is a direct alignment between the department's Framework for Community Recreation and that of the City's vision, focus and direction.
- ✓ Promote broader community access to recreation.
- ✓ Incorporate evidence-based decision making and data.
- ✓ Ensure inclusivity is based on a broad lens that may at times involve focusing on a specific need or underserved segment of the population.
- ✓ Ensure partnerships are clearly defined, strategic, aligned and well managed.
- ✓ Consistent and transparent approach for making decisions.

So What's Next? – Post Framework Approval

1. Train all staff and volunteers in the new Framework.
2. Develop new and update associated policies including:
 - Facility Rental Policy CL-21-03 (update)
 - Public Recreational Spaces Allocation Policy PR-05-07 (update)
 - Rates and Fees Policy (new).
3. Ensure that all new partnerships are aligned and adhere to the Framework.
4. Update the Parks, Recreation and Cultural Master Plan to now align with this Framework.
