ROAD WIDENING

- Under *Table 2 – Road Allowance Widths* of the City of Burlington's Official Plan, the subject lands front onto a portion of Queensway Drive with an ultimate deemed width of 30 metres.
- Staff has requested a 7.5m metre setback along the front of the property to accommodate a potential future road widening.
- The existing road right-of-way width adjacent to the subject lands is approximately $\pm 15\text{m}$ wide over a portion of the property, and $\pm 30\text{m}$ wide over a portion; however this portion of Queensway Drive has a very unique circumstance.
- Recent development at 1002 Cleta Street ($\pm 40\text{m}$ to the east) not required to convey widening or provide 7.5m setback.
- Lands to the west closed by City By-law 91-1998 and conveyed.

SUMMARY

- The request of the Applicant is for Council to **defer** the Decision of the submitted Application(s) until such time as the Applicant has been able to conduct a thorough review of the comments received on the application, and resubmit detailed responses to each of Staff and circulated agency comments.
- The Applicant would also request that Council **waive** the 7.5m road widening requirement adjacent to the subject lands, given the unique circumstance.
- The Applicant has already engaged the technical consultants for each discipline to review and revise the Development Concept accordingly, in preparation for a resubmission to Staff.
