Re: Burlington Hydro 75th Anniversary – 1945 to 2020

2020 marks the 75th Anniversary of Burlington Hydro. The Burlington Public Utilities Commission (Burlington Hydro's predecessor) was created 75 years ago to-the-day on July 6, 1945.

Jennifer Smith, Executive Vice President, Corporate and CPO; John Maheu, Burlington Hydro Chair; and myself, will be in attendance to launch Burlington Hydro's 75th celebration and preview a commemorative Anniversary video that was produced for this milestone occasion.

Sincerely,

A handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke extending to the right.
