> Come on Mayor and councillors what wrong with you. You've been voted into your positions by the public, and guess what the majority of the public in millcroft DO NOT WANT THIS DEVELOPMENT!

> Open your eyes. We are being taxed to death all ready and you get more than your fair share from the area. If you approve this then you're basically telling us, the people that live here, that our voices mean absolutely nothing to you, and the tax dollars mean more.

> This is has been brutal to watch, especially with the huge amount of backlash against the development coming to you all.

> This area was developed with a golf course and it has a wonderful feel which I can't believe you're actually thinking about destroying.

> I bought here because of the community, and I'm furious that you would allow someone to come in and destroy this.

> Be smart and work for the people that put you in the positions that you have.

> Vote no and show us all that you hear our voices and actually give a dam.

> Thanks.
