SCHEDULE "A-3"

Statement of Cultural Heritage Value or Interest, and the List of Cultural Heritage Attributes.

2411 LAKESHORE ROAD

Introduction and Description of Property

2411 Lakeshore Road is located on the north side of Lakeshore Road in the City of Burlington. The property consists of a three-storey Queen Anne style frame house constructed in 1890.

Statement of Cultural Heritage Value or Interest

2411 Lakeshore Road is a representative example of a Queen Anne style residence. Built in 1890 as a two-and-a-half-storey building, the now three-storey residence exhibits characteristics of the style including the irregular and asymmetrical façade, multiple surface treatments, rooflines and gables, tall window openings, bay windows and the conspicuous verandah. The verandah on the west elevation espouses many more Queen Anne characteristics including the brackets, fine wood turned columns with bullseye motif, radiating ornament as seen in the decorative sun motif in the pediment and dentils with a wood spindle cornice. The quintessential Queen Anne style key-hole motif is present in the wooden panels between the columns at the front of the verandah. The heavy oak front door is panelled and features three coloured glass windows. Each wood and window panel of the front door includes the bullseye motif. The residence at 2411 Lakeshore Road is unique as despite having had a half-storey added to the structure it retains many Queen Anne characteristics.

2411 Lakeshore Road is important in maintaining and supporting the character of Lakeshore Road. Through its setback, historic architecture, mature trees and grand massing, it contributes to general historic character of Lakeshore Road.
