

Tall Building Guidelines

The logo for the City of Burlington, featuring the text "City of Burlington" and a stylized graphic of a city skyline.

Tall Buildings

The City is experiencing the development pressures of intensification.

- Planning is receiving several inquiries for tall building developments.
- Tall buildings can become a distinct and defining component of a city's character.

Grow Bold

The guidelines will:

- Help us achieve urban design excellence.
- Support our new growth strategy to build up, build smart, and build beautiful.

Guidelines

▪ Tall building components

- Podium
- Tower
- Top

▪ Prepared by Brook McIlroy

- Municipal best practices and professional experience.
