

2021 BSAC Workplan

On-going and routine activities:

1. Receive information about and provide input/feedback into city planning, policies, projects and initiatives.
2. Share local seniors-related information out to the community through select events (virtual and/or in-person).
3. Promote October 1st National Senior's Day: register for Mayor's proclamation, NSD flag raising, Brant St. pier lights dedication with amplification through city social media platforms.

City Advisory Commitments and Focussed Work Group Plans:

1. Review and provide input/feedback on Burlington Active Aging Plan priority call-to-action items in conjunction with Parks and Recreation planning and initiatives impacting older adults/seniors.
2. Develop and promote Seniors Advisory Committee positions on city housing strategy via City Council, Regional Council and Halton Older Adult Advisory Committee including co-ops, home sharing, naturally occurring retirement communities and all other forms of non-commercial congregate community development pertaining to older adults/seniors in Burlington.
3. Encourage and promote Seniors Advisory Committee positions on Long Term Care (an important issue with Burlington having 10 long term care homes and the highest population percentage of seniors in all of Halton Region), through advice to council that supports pursuit via the Canadian Federation of Municipalities, the Big City Mayor's Caucus and other influential agencies.

Budget Considerations:

For related potential event participation fees, signage, printing materials for distribution and/or other anticipated expenses in alignment with BSAC's mandate: \$1000.00
