I am supporting stick to the plan- Michelle Packard-[REDACTED] Burlington Ont.
5 years or so ago we had a meeting about this development, they were talking about 12 storey condos and now it has changed to 25 storeys. What is going on ? We do not need 25 storey buildings on Brant Street we have enough monstrosities being built along the railway corridor don't bring it down our Main Street.
What of all the extra people and traffic that this will bring to our community? At the best of times I have problems making a left hand turn from Brant to Ghent with the amount of traffic now!!!
The people who have lived here in Burlington for years and have made it what it is ,are now being driven away by big development
