ALDERSHOT GO BURLINGTON GO APPLEBY GO

MTSA Area-Specific Planning Project

- the completion of all required technical studies,
- further public and stakeholder engagement starting this Fall,
- completion of three (3) area-specific plans,
- implementing Official Plan and Zoning Bylaw amendments, and
- other implementation strategies as required

Connections to the Integrated Mobility Plan

- Stay informed of the latest updates, and opportunities to participate at: https://www.getinvolvedburlington.ca/imp
- The IMP values and vision will be informing the development of the MTSA's
- Current technical work completed by the IMP will inform the MTSA work going forward.
- Recommendations from the approved Cycling Plan will be incorporated into the IMP & MTSA work and further refined.
- A funded implementation strategy will be developed by the IMP, with potential additional funding to be secured by DC's by way of the MTSA work.
