# **Province of Ontario - Roadmap to Reopen 2022 Waypoints**

#### January 31

Ontario begins the process of gradually easing restrictions, while maintaining protective measures, including but not limited to:

- Increasing social gathering limits to 10 people indoors and 25 people outdoors.
- Increasing or maintaining capacity limits at 50 per cent in indoor public settings
- Allowing spectator areas of facilities such as sporting events, concert venues and theatres to operate at 50 per cent seated capacity or 500 people, whichever is less.
- Proof of vaccination required

#### **February 17**

# Ontario further eases public health measures, including, but not limited to

- Social gathering limits:
  - 25 indoors
  - 100 outdoors
- 50% seated capacity at all indoor spectator events
- 100% capacity at certain indoor public settings (e.g., gyms, restaurants, bars, cinemas, etc.)
- 25% indoor capacity at food and drink establishments with dance facilities
- Capacity limited to permit physical distancing at malls, retailers, personal care services
- Proof of vaccination required

#### March 1

# Ontario takes additional steps to ease public health measures

- capacity limits have been lifted in all indoor public settings
- proof of vaccination requirements have been lifted
  - businesses and organizations may choose to require proof of vaccination upon entry
- other protective measures, such as mask/face covering requirements and passive screening of patrons remain in place
- businesses and organizations that are open must continue to have safety plans in place

#### March, April, ...

To be announced...

# Governance and Decision-Making Pending Issues

- 1. State of Emergency
  - 2. Mask By-law
- 3. Physical Distancing By-law

# Our Emergency Response Goal

Continue to protect the health and safety of our community and staff and do our part to limit the spread of COVID-19.

### **Governance and Decision-Making**

The extent of the re-design in service delivery will direct the decision-making process and ultimately, where the decision is made. The following are guidelines for decisions.

#### **Committee/Council**

- Service Level impacts (each stage)
  - Increase and/or decrease of service levels longer-term
  - Commission and/or decommission of services
- Financial Impacts
  - 2022 operating and capital budget implications
- Corporate policy impacts
- Community Impacts
- Reputation and other risks

#### How:

Approval of Council based on separate motion tied to specific criteria (as indicated above) for service program changes.

#### **Burlington Leadership Team/ECG/Service Leads**

- Tactical and operational impacts on City services delivered within the limits of Council approved service levels and budgets;
- Human resource deployment
- Health & safety issues
- Immediate operational response related to COVID-19 and other emergencies (e.g. weather events)

#### How:

Endorsement of Council of <u>service modifications</u> decisions made by staff.

# 1. City of Burlington State of Emergency

City of Burlington By-law 046-2019 Amendment 076-2020 – Annex 8 – Termination of Declaration of Emergency Criteria

#### 1.1 Definition and Authority

An emergency is defined under the Emergency Management and Civil Protection Act as

"a situation, or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise" [Section 1, definition of an emergency].

Under the Emergency Management and Civil Protection Act, only the head of council of a municipality (or his or her designate) and the Lieutenant Governor in Council or the Premier have the authority to declare an emergency. The Premier, the head of council, as well as a municipal council, have the authority to terminate an emergency declaration [Sections 4 (1), (2), (4)].

#### Criteria

- established to assist the Mayor/Council in determining if/when our existing state of emergency should be terminated.
   When considering whether to terminate a declaration of emergency, a positive response to one or more of the following criteria may indicate that a situation, warrants the termination of declaration of emergency.
- #2 and #8 are excluded from pandemic situations.

# Monitoring Termination of Declaration of Emergency Criteria as of March 1, 2022

Yes/No

The epidemiological link between contact tracing and the rate of community spread % is **steadily declining** over a sustained period of 14 days. Source: Halton Region Dashboard Trends – Moving Weekly Incidence Rate per 100,000; New cases 7-day average; New cases reached within one day (a sign of contact management keeping up with new cases) *NOTE: given the Provincial changes to testing and Public Health constraints on contact tracing, the relevance of this criterion has been significantly reduced.* 

Has the Region and/or neighboring lower tier and upper tier municipalities **terminated declaration** of emergency? Source: Provincial Emergency Operations Centre (PEOC) - Daily Consolidated Situation Report (DCSR) – Annex I for Region of Halton municipalities

Have other like municipalities terminated declaration of emergency? Source: PEOC-DCSR – Annex I

Does the decision to terminate the declaration **directly impact temporary by-laws** in place to protect community and staff? Source: Mask By-law 006-2021 and Physical Distancing By-law 007-2021

Do services remain altered/suspended? Source: Service re-design

Yes

Is there **affirmation of urgency**? Refer to Ontario Ministry of Health and Region Public Health for Guidance. Source: Regional Medical Officer of Health Advisement

No

## 2. Mask By-law 006-2021

- Current by-law expires June 30<sup>th</sup>, or within 5 business days of when the Province of Ontario repeals their mask mandate, whichever comes first, <u>OR</u> unless extended or revoked by Council
- Options to consider
  - 1. Align with province and repeal when Ontario repeals its mask mandate
  - 2. Align with Region and sister municipalities regardless of their decision
  - 3. City of Burlington extends own mask by-law when Ontario repeals its mask mandate OR if Region and sister municipalities align with province
- Recommendation to Council time depending on provincial announcements:
  - special Council meeting (if needed)

OR

regular Council meeting on March 22

# 3. Physical Distancing By-law 007-2021

- Current by-law expires June 30<sup>th</sup> unless revoked earlier
- Effect of March 1<sup>st</sup> easing of restrictions includes **NO** physical distancing requirements
- Options to consider
  - 1. Align with province and repeal physical distancing by-law
  - 2. Align with Region and sister municipalities regardless of their decision
  - 3. City of Burlington maintains its own physical distancing by-law until June 30<sup>th</sup> unless revoked earlier
- Recommendation to Council at time of bringing forward mask by-law recommendation

- PL-28-22 Waterfront Hotel Planning Study

# **Continuity of Operations Update**

# Service Interruptions/Delays due to COVID Impact on Staffing

#### Burlington Transit Service

- Continues to operate under COVID-emergency schedule since January 9, 2022
- Modified schedule (below) continues to be impacted by staffing constraints resulting in decreased service on several routes
  - Monday to Saturday from 5:50 a.m. to 1:30 a.m. and Sunday from 6:14 a.m. to 9:55 p.m.

# **COVID 19 Financial Update**

Joan Ford Chief Financial Officer

### **Property Tax Update**

February 22<sup>nd</sup> Installment: \$110.4 M (City, Region & Education)

Collections to Feb 28<sup>th</sup>: \$94.6M

Collection Rate: 85.7% (compared to 85% Feb. 2021)

#### **Interim Installment #1 Collections**

Year	Properties	Installment #1 Levy	Installment #1 Past Due	% Past Due
2020	65,579	\$105,367,506	\$14,119,246	13.4%
2021	65,781	\$108,054,684	\$16,212,992	15.0%
2022	66,697	\$110,396,157	\$15,820,030	14.3%

## **Cash Flow Update**

### **Cash Flow Projections (Feb 28/22)**

	2022	2021
Feb 28 <sup>th*</sup>	\$59.9M	\$55.3M
Mar 31 <sup>st **</sup>	\$16.7M	\$52.4M
April 30 <sup>th*</sup>	\$29.1M	\$50.6M

<sup>\*</sup>Includes Halton Region requisition payment of approximately \$35M

<sup>\*\*</sup>Includes the School Board's requisition payments of approximately \$30M

# **Use of Safe Restart Funding**

Summary of Safe Restart Funding Usage	(\$) Millions
Total Safe Restart Funding Received	\$ 19.71
2020 Year End Shortfall	\$ (6.92)
2021 Year End Shortfall	\$ (10.13)
Remaining Balance	\$ 2.66

<sup>\*</sup>Numbers may not be exact due to rounding

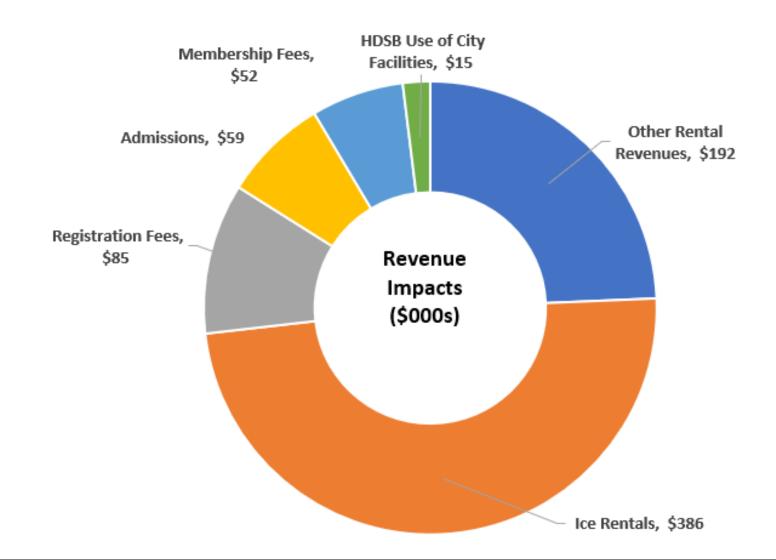

# 2022 Year End Projections for COVID-19 pandemic

As at March 3rd 2022

Estimated Year End Net Financial Impact		
Revenue Impact (Recreation, Community and Culture)	\$	790,542
Total Revenue Impacts	\$	790,542
Projected Position	Ś	790,542

### **Revenue Losses**

# **Economic Update Briefing**

Anita Cassidy, Executive Director Burlington Economic Development

# **Ontario's Plan to Safely Reopen**

# Recreation, Community & Culture – Impacts of Provincial Easing

Chris Glenn, Director

642 Programs Offered 3748 registered

Virtual Programming 32 courses , 210 registered

Winter 2022 Programs Restart

Drop-In Programs on Family Day: 99% booked; 178 participants

Outdoor Skating Continues: 476 Skaters and 176 Pairs of Skates lent out on Family Day

Get Outside and Play Challenge 16 Families and 412 Missions RCC also ran its First Ever Neighbourhood Building Connections Course

"Thank you so much for a great first session of the leadership course. I really enjoyed it and looking forward to completing the course and organizing my own Love My Neighbourhood event."—

Neighbourhood Connections Course Participant

## Ontario Pathway to Reopen – Implications for Recreation as of...

#### February 17

- Recreation facility rooms and activity spaces able to increase capacity for rentals and programs:
  - 2m physical distancing remains, so not back to full room capacities
  - Spectator areas remain at 50 per cent
  - Staff have increased spots in drop-in programs and courses where possible
  - original class sizes remain in some cases due to requirements for staff/participant ratios, progressive evaluation, or where specific regulations require (e.g., Camp programs)
- Retired use of e-screener for public entering recreation facilities as contact tracing no longer required by public health. Active screening remains in place

#### March 1

- Proof of vaccination and active screening no longer required
- Physical distancing no longer required by the Province; the City has its own physical distancing by-law in place
- Phasing out use of security as we gauge customer and public reaction tentative plan is to discontinue March 6<sup>th</sup>
- Awaiting release of regulations for specifics related to Camp guidelines

Public reaction to COVID safety precautions being lifted is overall positive, with a few sharing their concerns with us as well. It is helpful to note that protocols such as masking and distancing remain in place, and that lifting of the restrictions is occurring gradually.

### What's Next

 Monitoring of attendance and customer behaviour and needs to adjust capacity based on trends and staff availability

- Adapting process and programs to serve customers:
  - Adjusting lead times for drop-in program sign up for summer
  - Maintaining virtual programs; adjusting based on demand
- Summer camp launch last weekend saw more than 2000 registrants, 500+ on the waitlist

# Questions
