

## **Sustainable Development Committee Update – for May 18<sup>th</sup> Meeting**

**Lynn Robichaud, Manager of Environmental Sustainability**

### **1. Climate Action Plan**

- a. **Electric Mobility Strategy** – community surveys have wrapped up for electric vehicles, e-bikes and e-scooters (stand up scooters with an electric motor). Working on draft proposed actions and planning to post on [www.getinvolvedburlington.ca](http://www.getinvolvedburlington.ca) The [Plug'n Drive MEET](#) EV test drive event continues until May 20<sup>th</sup>.
- b. **Renewable Energy** – there is a community survey on [www.getinvolvedburlington.ca](http://www.getinvolvedburlington.ca) (under the Climate Action Plan) for residents to provide input on their experience of installing renewable energy measures or if their thoughts on opportunities and barriers if they have not. The survey runs until the end of May.

### **2. Corporate Energy & Emissions Management Plan**

- a. Annual update report is scheduled for the June 9<sup>th</sup> EICS meeting.

### **3. Climate Resilient Burlington – A plan for adapting to our warmer, wetter and wilder weather**

- a. Draft report was presented to the May 5<sup>th</sup> EICS Committee and was well received. It was available for public review on [www.getinvolvedburlington.ca](http://www.getinvolvedburlington.ca) and will be presented to the July 7<sup>th</sup> EICS Committee meeting and July 12<sup>th</sup> Council for final approval.
