

# Aldershot Neighbourhood Leash-free Area

Photo of the proposed area:

Map location of proposed area: Hidden Valley Park

## Notes of interest:

- Funding a leash-free dog park within walking distance for Aldershot canine owners should be a priority given the local demographics of Ward 1. (i.e. 43% 55+ years of age)
- The nearest dog park (King Road) is about 5 km from central Aldershot.
- The Hidden Valley location is a walkable distance for Aldershot residents.
- A local leash-free area in Aldershot was supported by 210 individuals.
- The selected location meets all the criterion outlined in the city policy.
- Anecdotally, there is ongoing interest in updates as to the progress of this proposal from dog-owners in our immediate community.
