Good morning

This proposal is concerning and as a resident in tyandaga we get nervous about development being the end goal, we hope this is not the case.

We are opposed to changing this to a 9 hole and the logic doesn't make sense.

If 200 acres is needed for 18 hole than 100 acres would be ok for 9 holes allowing for 8 acres of green space.

Please don't ruin a beautiful part of the city

Regards
