

WHAT DO BURLINGTON RESIDENTS SAY?

On Sep 7, 2023 a poll of Burlington residents was conducted. They were advised of the tax increase for 2023 and the proposed tax increase for 2024. They were asked if they supported such a high tax increase for 2024. A total of 252 votes were collected and 90% of respondents said no. 7% of respondents said yes and 3% were unsure.

On Sep 30, 2023 a second poll was conducted. It asked Burlington residents to chose from 6 categories to determine what they felt was a reasonable amount for the 2024 property tax increase. As of the date of this petition, 353 votes have been collected. The categories and results were as follows:

On Sep 30, 2023 a second poll was conducted. It asked Burlington residents to chose from 6 categories to determine what they felt was a reasonable amount for the 2024 property tax increase. As of the date of this petition, 353 votes have been collected. The categories and results were as follows:

1-3%	31%
3.1-4%	16%
4.1-5%	5%
5.1-6%	3%
6.1-7.8%	6%
0% or a tax cut	39%

Of the 353 respondents, 39% want a 0% tax increase or a tax cut while 31% of respondents voted for a 1-3% increase. This is 70% of all respondents. This is a very significant number. It says that the vast
