

Sketch No. 1
CONCEPT PLAN

Development applications have been submitted for a Official Plan Amendment and Zoning By-law Amendment to allow for a 7-storey retirement building with one level of underground parking. The proposed development would provide a total of 124 units including 20 two-bedroom units, 29 one-bedroom units, and 75 studio suites. A total of 44 parking spaces are proposed in the one level of underground parking.
