

Community Vision for Robert Bateman Community Centre

An architectural rendering of the Robert Bateman Community Centre. The building features a prominent dark brown cantilevered upper section with large glass windows. The ground floor has a mix of wood paneling and glass. The foreground shows a paved plaza with some landscaping, including trees and bushes. A white wavy underline is positioned below the main title text.

What we heard from the Community

What we heard from not for profits or business

- Arts and Culture – exclusive creative spaces
- Day Care – preschool, elder and respite care
- Food – offering this service in the centre
- Offices – physical therapy, dental and sport organizations
- Science and technology
- Skills/Trade Development
- Social Services Support and Offices

Social Anchor- Pilot

- Tansley Wood Pilot
- Welcoming spaces for people to enjoy where people can make connections and express their social needs
- Included in the pilot is shower access, use of rooms and facilities not booked, including the gyms
- Food pantry and potential community kitchen or warming area

Next Steps

- Are there any ideas that committee does not want to see in the facility?
- Ask the community to prioritize the uses and then start and RFP process to influence phase 2 of Bateman design for opening in 2027.
- Pilot Social Anchor and space at Tansley Woods

A stack of colorful sticky notes (yellow, orange, green, blue) is shown against a light blue background. The top sticky note is yellow and has the text "WHAT'S NEXT?" written on it in a bold, black, sans-serif font. The notes are slightly offset, creating a sense of depth.

WHAT'S
NEXT?
