Hello

As a tax payer, I am stunned by the conduct of this Council. I am stunned by Council's lack of respect for the Democratic process.

When I went to the polls, I understood that I was voting for a Mayor and a Councillor. Today, Council has a Mayor who expects Councillors to dance to her tune. Unfortunately, the Mayor's tune is all about her legacy.

As a taxpayer, I object to Council's strategy of bleeding me dry so the Mayor can finance her legacy.

It is time that the Mayor and Council remember why they chose to run for Municipal office. It is time that they remember why they chose to serve the citizens of Burlington.

Return Democracy to the City of Burlington. Start to dance to the tune of fiscal prudence.

Regards,
