---

On behalf of Branthaven Development Corp, I am writing to express our support for the Draft Plan Approval Recommendation Report for Oval Court as it proceeds to the Council Meeting on November 19, 2024.

This draft plan represents an important step toward meeting City housing targets, while facilitating economic growth.

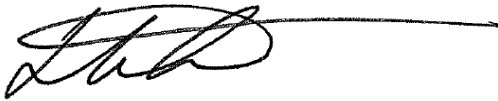

We commend the thorough work and due diligence carried out by Jamie Tellier, Bill Wallace, Kyle Poole, Alicia West and the rest of the City staff ensuring that this plan aligns with local priorities.

We strongly encourage Council to approve the Draft Plan and ensure its timely implementation to allow our community to realize these critical benefits. The revised conditions of approval represent a significant step forward. We look forward to working with staff on the ongoing implementation of these planning approvals.

Should you have any questions or require further information, please do not hesitate to contact me.

Respectfully submitted,
