

Motion Memorandum

Subject: More Cricket in Burlington

To: **Committee of the Whole**

From: **Councillor Rory Nisan**

Seconded by (for Council only): n/a

Date to Committee: April 7, 2025

Date to Council: April 15, 2025

Motion for Council to Consider:

Request that staff provide a report for Committee of the Whole on opportunities to expand cricket in Burlington by building cricket facilities in collaboration with the private sector, and any related land opportunities, by July 2025.

Reason:

Burlington currently only has one cricket field. The Burlington Live and Play plan envisages a lit cricket field at Sherwood Forest Park and a dedicated field at City View Park, and there are other potential opportunities to take advantage of privately-held underutilized land to the benefit of the community. Please see section 5.3 (p. 69) of the Live and Play Plan for more details on cricket in Burlington.

Outcome Sought:

More cricket in Burlington.

Implications:

The current motion is for staff to produce a report.
